

SKYLIFE

Lounge

SKYLIFE is proud to support the 'ONE TOO MANY' scheme, ensuring the responsible consumption of alcohol across the aviation industry.

Under UK & European Law, it is an offence to board an aircraft whilst under the influence of alcohol.

We want you to enjoy your stay in our lounge, so we ask that all passengers and lounge staff adhere to the following guidelines to ensure that not just your lounge stay but also your holiday or business trip starts well.

Alcohol will not be served to any person who is under 18. Please do not be offended if we ask you for proof of age.

Our staff are expected to ensure that alcohol consumption is made responsibly and will politely refer to this policy and the law if they believe the level of alcohol consumption may pose a threat to travel plans.

The scheme explained:

- Enjoy a drink whilst you wait for your flight
- On your second drink, we remind all guests to be mindful of their alcohol consumption.
- Third drink, staff will remind guests of the law surrounding alcohol consumption and boarding an aircraft.

Please note that SKYLIFE access includes three complimentary alcoholic drinks per passenger.

We reserve the right to refuse alcohol to any guest that appears to be under the influence of alcohol, anyone whose behaviour is deemed inappropriate or anyone who fails to show adequate identification when asked.

By entering the lounge, you are agreeing to this policy and our terms and conditions.
Help us to ensure that the start of your trip is a good one.
